

## Community Drama

In 2002, the first Community Drama Evening of one act plays was presented by local clubs. The event was a success and it was agreed at that time to consider repeating the format bi-annually. Again, tonight's show is due to the success of the performing clubs working together. Each club has different strengths and it is hoped that through this event, working together and sharing resources that we can benefit not only from practical knowledge but from increased friendship.

If you would like to be involved in drama, acting, back stage or front of house, please contact one of the following :-
