

BEN GUNNS CHEESE SONG

(To the tune of Mud, mud, glorious mud)

Cheese, cheese, as much as you please,
Nothing quite like it to put you at ease,
Worth spending a lifetime, sailing the seas,
Chasing down Cheddar and tracking down Bries!

Cheese, cheese, as much as you please,
Nothing quite like it, in a tight squeeze,
Stilton, Gorgonzola and others like these,
Will see you through tropics and Antarctic freeze!
