

The players welcome you tonight and hope you enjoy our latest production 'The House on the Cliff'. We look forward also to our spring production on 30 April and 1 and 2 May when we hope to present the comedy 'Lord Arthur Savile's Crime by Constance Cox based on an Oscar Wilde story.

The Churches' Drama Federation will again be holding their One Act Play Festival at the end of May in our hall.

We are indebted to the Cheshire Home for the loan of a wheelchair.
