THE ADJUDICATOR

CAMPBELL WHITE, actor, producer, lecturer, broadcaster and adjudicator has a lifelong interest in the amateur and professional theatre. He adjudicated the K.D.F. Festival in 1958 and it is a pleasure to welcome him back in this role. His association with the Gateway in its early years was a valuable contribution to the furtherance of high standard stage presentations — not least the encouragement he gave to many young members of the acting profession who are now big names in the theatre and in television.
